We will try our best to make it a priority, as easy as it sounds, I know this stuff still takes up a lot of their time and staff power. Please call Maxine Waters office to make sure we still have the money, its very important that she hears from more people than me and Sheila M

Thanks Nate. I came up with the same package. I like it that we both came to the same spot independently. I'll call Vahik to ascertain his thoughts & get hisd blessing. Can we get Bill to get him assigned to work on this with some priority attached? We're never going to get anywhere if this project isn't a priority for his boss / department head.

I'm worried that we could lose the money from the Feds.
